About this insurance

Our Home Building and Contents Insurance Accidental Damage policy covers **your buildings** or **your contents** for accidental loss or damage. **You** can choose to take out cover for **your buildings**, cover for **your contents**, or cover for both **buildings** and **contents**.

We also provide cover under specific conditions for a range of incidents and additional benefits and covers, including for **your** legal liability. **You** can also add 'optional covers' to **your** policy to either ensure valuable items are properly covered ('Specified valuable items') or to include the 'Home business extension'.

For a summary of benefits available under this policy, please see the 'Benefits summary' section beginning on page 22.

To find out what this policy covers please read this PDS to ensure **you** have the cover **you** need.

How to apply for this policy

Throughout this document when **we** are referring to **your** insurance broker or adviser, **we** simply refer to them as **your** intermediary.

If **you** are interested in buying this product or have any inquiries about it, **you** should contact **your** intermediary who should be able to provide **you** with all the information and assistance **you** require.

If **you** are not satisfied with the information provided by **your** intermediary, **you** can contact **us** at the address or telephone number shown on the back cover of this document. However, **we** are only able to provide factual information or general advice about the product. **We** do not give advice on whether the product is appropriate for **your** personal objectives, needs or financial situation. Therefore, **you** should carefully read this document before deciding whether to purchase this product or not.

Cooling-off period

After **you** apply for (or renew) a **BZI** product and **you** have received the PDS, **you** have **30 days** to check that the policy meets **your** needs. Within this time **you** may cancel the policy and receive a full refund of any **premiums** paid (less any non-refundable government charges, taxes and levies that **we** have paid and are not recoverable), unless:

- **you** have made a claim or become entitled to make a claim under **your** policy; or
- **you** have exercised any right or power **you** have in respect of **your** policy or the policy has ended.

Your request will need to be forwarded to **us** via **your** intermediary.

You can cancel **your** policy at any time after the cooling-off period. Please refer to 'Cancellation' under the 'General terms and conditions' section beginning on page 60.

Our contract with you

You must pay **us** or **your** intermediary the agreed **premium** by the date due, to ensure there is cover under this policy. If **we** accept a claim under this policy, **you** will always need to pay **us** the **premium** due. **Your** policy is a contract of insurance between **you** and the **insurer**.

Your policy is made up of:

- This PDS which incorporates the policy wording beginning with the 'Who we cover' section on page 24. This is common to all customers who buy **our** Blue Zebra Insurance Home Buildings & Contents Accidental Damage product. It tells **you** what is covered, sets out the claims procedures, exclusions and other terms and conditions of cover;
- **Your policy schedule** provided by **us** for the relevant **period of insurance**. The **policy schedule** is a separate document unique to **you**, which shows the insurance details relevant to **you**. It includes any agreed changes, exclusions, terms and conditions made to suit **your** individual circumstances; and
- Any other written change otherwise advised by **us** in writing (such as an endorsement or a supplementary PDS). These written changes vary or modify the above documents.

This document is also the PDS for any offer of renewal **we** may make, unless **we** tell **you** otherwise. Please keep **your** policy documents in a safe place.

Unless stated otherwise in the policy, if there is more than one insured on the policy, then anything which any of the insureds says, does or omits to advise to **us**, applies to and affects the rights of all of the insureds under this policy or any claim made under it. **We** only need a request from one insured to change or cancel **your** policy, or to tell **us** where an approved claim payment should be paid.

Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that **you** should be aware of when deciding to purchase **our** product. These things may affect the amount of the payment that **we** will make under a claim on this policy.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of **your** sum insured shown in **your policy schedule** or some other amount, factor or item specified in the relevant clause or this document.

You should be aware of the following matters in considering whether this product is suitable for **your** needs.

Exclusion for new business policies

There is no cover under this policy for bushfire, grassfire, **storm, flood** or tsunami in the first 72 hours from the start date shown on **your policy schedule**. Very limited exceptions apply. For full details see the 'General exclusions' section beginning on page 62.

Excesses can apply

For each of the available covers, an **excess** may apply. Please refer to the 'Excesses' section on page 12 for more details.

Exclusions

In some circumstances, this policy contains a number of exclusions, some of which are common in insurance policies. Before making a decision about whether to purchase this policy, **you** should read the full details of all relevant exclusions, which are contained in this PDS. Some may not be relevant to **you**, however **you** should make yourself aware of all the exclusions that apply in all sections of this PDS.

Please refer to the 'General exclusions' section beginning on page 62 for the specific details.

General terms and conditions

General terms and conditions applicable to all cover provided under this policy set out **your** obligations with which **you** need to comply. Please refer to the 'General terms and conditions' section beginning on page 60.

In addition, **you** should make yourself aware of all the terms and conditions that apply to the various covers detailed within this policy. If **you** or someone else (to the extent they would normally be covered under this policy) claim on this policy and do not meet them, **we** may be able to decline or reduce the claim payment or cancel **your** policy.

Make sure you have the cover you need

You should discuss with **your** intermediary the appropriate amounts and risks for which **you** need to be insured. If **you** do not adequately insure for the relevant risks **you** may have to bear any uninsured losses yourself.

You should also advise **your** intermediary to notify **us** as soon as possible when **your** circumstances change which are relevant to **your** policy. For instance, **you** may need to consider increasing **your** sum insured if **you** purchase expensive items of **contents** like jewellery or make renovations or alterations to **your buildings**. If **you** do not tell **your** intermediary of these changes, in the event of **you** suffering a loss or damage, **your** sum insured may not be adequate to cover **your** loss, or **you** may not even have any cover under **your** policy.

This policy is not a substitute for home maintenance

If purchased, this Blue Zebra Insurance Home Buildings & Contents Accidental Damage product provides insurance cover for accidental damage to **your buildings** and/or **contents** and certain legal liability cover.

Home insurance policies are designed to protect their purchasers against the potential risk of covered events, for covered property. Property insurance is not intended or designed to serve as a substitute for good maintenance of **your buildings** or **contents**.

If purchased, **we** insure **your buildings** and/or **contents** on the condition that they are in good condition, and **we** may cancel **your** policy or tell **you** that **we** will not offer to renew it if that is not the case. Subject to Australian insurance law, this policy does not cover certain types of damage or loss, for example wear and tear, gradual deterioration or property which develops an inherent defect or fault due to its design.

You should read this PDS in full to understand what it does and does not cover, and the obligations **you** or anyone claiming under this policy have. If **you** have any questions about the cover this policy provides, please ask **your** intermediary to ask **us**, and **we** will answer them.

Your duty of disclosure

Before **you** enter into this contract of insurance, **you** have a duty of disclosure under the Insurance Contracts Act 1984 (Cth).

If **we** ask **you** questions that are relevant to **our** decision to insure **you** and on what terms, **you** must tell **us** anything that **you** know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until **we** agree to insure **you**. **You** have the same duty before **you** renew, extend, vary or reinstate an insurance contract. **You** do not need to tell **us** anything that:

- reduces the risk **we** insure **you** for;
- is common knowledge;
- **we** know or should know as an insurance provider; or
- **we** waive **your** duty to tell **us** about.

If you do not tell us something

If **you** do not tell **us** anything **you** are required to tell **us**, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

Renewal

At least 14 days before the policy expires **we** will provide **you** a notice, offering **our** renewal terms, or explaining the reason for not renewing **your** policy. If **we** offer to renew **your** policy, **you** are not obliged to renew the policy with **us**. **We** encourage **you** to check the new amounts to make sure they continue to cover **your** needs.

If **your** nominated method of paying **your premium** is by direct debit, and **you** decide to renew this policy, then **we** will continue to debit **your** nominated bank account or credit card for the remainder of the **period of insurance**. If **you** pay **your premium** annually, **you** must pay the full amount by the due date shown on **your** renewal invitation in order for cover to continue into the renewed **period of insurance**.

This PDS (together with any amendments, updates or endorsements that **we** give **you** in writing) also applies for any offer of renewal **we** make, unless **we** tell **you** otherwise or provide **you** with a new updated PDS.

Your cooling-off period applies on each renewal. See page 5 for details.

Each renewal is a separate contract and not an extension of the prior contract.

How we determine your premium

The amount of **your premium** is determined by taking a number of different matters into account.

It is important for **you** to know in particular that the **premium** varies depending on the information **we** received from **you** about the risk to be covered by **us**. The higher the risk is, the higher the **premium** will be. Based on **our** experience and expertise **we** decide what factors increase **our** risk and how they should impact on the **premium**. Each insurer can do this differently.

In this product the following are some of the factors that are taken into consideration when determining the appropriate **premium**:

- **your** nominated sum insured;
- where **you** live (i.e. the location of the **insured address**);
- the materials used in the construction of **your buildings**;
- what **your buildings** are used for (e.g. private residence, holiday home, rental property);
- security measures used for **your buildings** and/or **contents**;
- whether **you** have chosen any optional covers or not;
- the **excess** **you** have chosen for **your buildings** and/or **contents**. If **you** elect to take a higher **excess** in the event of a claim, this will reduce the cost of **your premium**. **Your** intermediary can supply **you** with quotes based on differing amounts of **excesses**.

Your intermediary can arrange for **you** to be provided with a quote for a **premium**. **You** will need to give relevant personal details to **your** intermediary at this time to enable **us** to calculate **your premium**.

Another important thing to know is that **your premium** also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Insurance Duty, Goods and Services Tax (GST) and Emergency Services Levy) in relation to **your** policy. These amounts will be set out separately on **your policy schedule** as part of the total **premium** payable.

Also, minimum **premiums** may apply. Any discounts or entitlements may be subject to rounding and only apply to the extent any minimum **premium** is not reached.

BZI may also add an agency fee to the **premium** that is charged, and this will be shown on **your policy schedule**. The agency fee will only be refunded when the policy is cancelled within the cooling-off period (see page 5) or where the cancellation is effective from the start of the **period of insurance**.

How to pay your premium

There are three ways that **you** can pay **your premium**:

- an annual payment to **your** intermediary;
- if provided, an annual payment directly to **BZI** from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary; or
- if provided, in monthly instalments by automatic deduction from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary.

You must pay **your premium** in the manner set out on **your policy schedule**.

How to pay your premium via your intermediary

If **you** are paying **your** annual **premium** via **your** intermediary, **you** must pay them by the due date shown on **your policy schedule**. If **your premium** is unpaid after the due date **we** may be entitled to reduce or refuse to pay a claim or cancel this policy.

How to pay your annual premium directly to BZI

If **you** are paying **your** annual **premium** directly to **BZI**, **we** will deduct **your** annual **premium** from **your** nominated bank account or credit card within three business days after the day the details of the credit card or bank account have been provided to **us**.

If an attempt to deduct **your** annual **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct the annual **premium**.

After three unsuccessful attempts to deduct the annual **premium**, **we** may cancel this policy. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and when the cancellation will become effective.

How to pay your instalment premium

We will deduct **your** instalment **premium** each month from **your** nominated bank account or credit card on the day of the month shown on **your policy schedule** as **your** payment date (or the next business day if **your** payment date falls on a weekend or public holiday in any given month).

When **you** renew **your** policy, **we** will continue to deduct **your** instalment **premiums** for **your** renewed policy on the same day of the month, unless **you** tell **us** otherwise.

Further details of **your** instalments are shown on **your policy schedule**.

If any instalment **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct that instalment **premium**.

After three unsuccessful attempts to deduct a given instalment **premium**, **we** may cancel this policy. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and the date of cancellation.

In the event that **you** fail to make any of **your** instalment **premium** payments when they are due, **you** may be responsible for any administration or dishonour fees which may be charged by **your** financial institution.

We are entitled to deduct any unpaid **premium** instalments from any amount **we** pay under a total loss claim.

We may not pay a claim under this policy if, at the time the claim occurred, any instalment of **premium** has remained unpaid for 14 days or more.

You must tell **us** if **your** nominated bank account or credit card details change. To ensure **your** cover is not affected, **you** must do this no later than 7 days before **your** next instalment is due.

If **your** policy has been included as part of a 'package' of **BZI** policies then the instalment **premiums** for all policies on that package will be combined and one instalment will be collected on each instalment date. The details of the combined instalment schedule for the package will be shown on **your** package schedule which **your** intermediary should provide to **you**.

If an instalment for a package is dishonoured for any reason then the approach detailed above will apply to all policies in that package. In particular, after three unsuccessful attempts to deduct a given instalment **premium** for a package, **we** may cancel all policies in the package. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and the date of cancellation.

About your sum insured

Your buildings sum insured and/or **contents** sum insured are shown on **your policy schedule**. For **contents** cover the general **contents** sum insured on **your policy schedule** represents the nominated sum insured for **contents** excluding any specified valuable items added under the optional cover 'Specified valuable items' (see page 47) which if purchased will be shown separately.

Please check that **your** sum insureds are adequate to cover **you** for the replacement value of **your buildings** and/or **contents**, and review them whenever **your** circumstances change (for example, after renovations to **your buildings** or purchasing new **contents** items). If **you** have any questions regarding the adequacy of **your** sum insureds, please contact **your** intermediary.

The sum insured values that **you** choose should exclude GST.

During each **period of insurance** the sum insured for **buildings** and/or general **contents** will be automatically increased by 0.5% per month (6% per annum) until the end of the **period of insurance**. The sum insureds after this adjustment represent the most **you** can claim for any one incident unless stated otherwise in this PDS. This is prior to the application of any 'additional benefits' or 'additional covers' which may be applicable to the claim.

Your buildings sum insured and/or general **contents** sum insured will be automatically adjusted at renewal, if renewal is offered, to take into account various factors including inflationary trends. If **you** need to change the value associated with any specified valuable items (see page 47), please inform **your** intermediary.

About making a claim

How to make a claim

If **you** need to make a claim under this policy, please contact **your** intermediary to assist **you** in lodging the claim with **us**.

Alternatively, if it is an emergency outside business hours or **you** would like to lodge the claim with **us** directly, please use one of the following methods to do so:

- phone **us** on 1300 253 692 or +61 2 9301 8018 (if dialling from overseas); or
- register **your** claim online at www.bzi.com.au/newclaim and **our** claims staff will contact **you**.

What you must do

As soon as **you** are aware of any circumstances that are likely to result in a claim under this policy, **you** must:

- take any reasonable steps to reduce the damage and avoid any further loss;
- inform the police promptly if property is lost, stolen or subject to **malicious damage** or vandalism; and/or
- keep any damaged property for which **you** intend to make a claim (so that **we** may inspect it). If **your** claim is for a total loss, **we** will give fair consideration to any extenuating circumstances.

What you must not do

If **you** believe that **you** are likely to make a claim under this policy, **you** must not:

- carry out any repairs without **our** authority, except in the case of an emergency where **you** are required to prevent further loss or damage to **your buildings** and/or **contents** as a result of that emergency, in which case **we** give **you** the authority to arrange reasonable emergency repairs on **our** behalf;
- admit responsibility for any loss, damage or destruction, if another person's property is involved;
- make any false statements in connection with **your** policy or any claim **you** make;
- negotiate a reduced settlement with another person for damage they have caused.

If **you** do not follow these steps, **we** can reduce any claim by an amount that fairly represents the extent to which **our** interests have been prejudiced.

Excesses

For each of the available covers, an **excess** may apply. An **excess** is not an additional fee charged by **us** at the time of making a claim. Rather, it is the uninsured first portion of a loss for which **you** are otherwise covered for under the policy's terms.

Details of the **excess** amounts and circumstances in which they will be applied are set out in the definition of **excess** (see 'Definitions' section beginning on page 65) and the relevant section of this PDS that explains the cover **we** provide.

If a single event results in claims to both **buildings** and **contents**, **you** will only be required to pay one amount of basic **excess** – that which is the greater of the applicable **excesses**.

The amount of any **excess** **you** will be required to pay will appear on **your policy schedule**.

If an **excess** applies to **your** claim, **you** will need to pay it to **us** when **we** request it, and no later than when **we** are finalising the processing of **your** claim.

How we settle your claim - buildings

When **your buildings** are destroyed or damaged during the **period of insurance** **we** will ordinarily pay for the cost of repair or replacement with new material.

We may not always be able to repair or replace **your buildings**, for example:

- if the materials needed for the repair or rebuild are not readily available;
- if the repair or rebuilding cannot commence for a significant amount of time; for example, due to availability of service providers;
- if the pre-incident condition of the **buildings** prevents **us** from repairing or rebuilding them; or
- if the event insured under this policy makes the land unsafe to build on; for example, after an earthquake.

In such situations, **we** will pay the **cash settlement value** in respect of **your** claim or part of it. See page 65 for what **cash settlement value** means.

If **you** request a cash settlement instead of the repair or replacement of **your buildings**, **we** will discuss this with **you** and if **we** agree, **we** will pay the **cash settlement value**. For example, when **you** confirm to **us** that **you** will not rebuild **your** home.

If the damage to **your buildings** requires them to be rebuilt, and **you** tell **us** **you** would prefer to rebuild at a different site and **we** agree to manage **your** claim on that basis, then **our** agreement will be on the following conditions:

- **we** will not pay more than the cost that **we** would have incurred if reinstatement of **your buildings** that are damaged had taken place at the location where the damage happened; or
- if the actual cost of rebuilding is less than the cost of reinstatement at the location where the damage happened, then **our** payment is limited to the actual cost of rebuilding.

Any rebuilding or repairing of **your buildings** must commence within 6 months of the date that the destruction or damage occurred. If it does not commence within 6 months (or any other period which **we** agree with **you** in writing) **you** may have to pay any increase in cost caused by the delay.

We will pay for the damaged portion of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred. **We** will not pay any costs for replacing undamaged property.

We will take reasonable steps to attempt to match any material used to repair **your buildings** with the original materials, however if **we** are unable to do so **we** will use the nearest equivalent available to the original materials. However, in situations where:

- it is not possible or economically viable for **us** to acquire new material to replace the damaged material that reasonably matches the undamaged portion to a similar extent as immediately prior to the loss or damage occurring; and
- the amount of damaged material that cannot be matched to the undamaged material is more than 40% of the total material that would have to be replaced if all the matching damaged and undamaged material was replaced;

then **we** will replace both the damaged and undamaged material.

How we settle your claim - contents

When **your contents** are destroyed, lost or damaged during the **period of insurance** we will decide which of the following **we** will do to settle **your** claim:

- repair the **contents** item(s) to the condition it was in immediately before it was destroyed, lost or damaged;
- replace the **contents** item(s) with the nearest equivalent new item; or
- pay **you** the **cash settlement value** of the replacement or repair. See page 65 for what **cash settlement value** means.

The situations when **we** may choose to pay **you** the **cash settlement value**, instead of repairing or replacing **your contents**, include:

- if parts needed for the repair are not readily available in Australia;
- if an item that is being replaced is not readily available in Australia; or
- if the repair or replacement will take a significant amount of time; for example, due to unavailability of service providers.

In such situations, **we** will pay the **cash settlement value** in respect of **your** claim or part of it.

If **you** request a cash settlement instead of the repair or replacement of **your contents**, **we** will discuss this with **you** and if **we** agree, **we** will pay the **cash settlement value**.

As noted in the additional benefit 'Environmental improvements' on page 39, if **we** have agreed to replace any refrigerators, washing machines, clothes dryers or dishwashers that have been lost or damaged, **we** will replace them with items that have at least a 3-star energy rating regardless of whether the original item had such a rating.

We will pay for the cost of replacing any damaged:

- carpets;
- wall, floor and ceiling coverings; and
- internal blinds and curtains;

but only in the room, passage or hall where **your contents** were destroyed, lost or damaged.

When a destroyed, lost or damaged item of **your contents** is part of a pair, set or collection, **we** will only pay for the value of the destroyed, lost or damaged item itself, unless **you** have chosen to specify that pair, set or collection as a 'valuable item' (see optional cover 'Specified valuable items' beginning on page 47). If the item is not specified like this, then the most **we** will pay is the value that the item has as a proportion of the combined pair, set or collection. **We** will only pay the cost of replacing the item even though the pair, set or collection to which it belongs is less valuable because it is incomplete.

Assisting us with your claim

You or the claimant under this policy must reasonably assist **us** with managing the claim. This includes providing **us** with the information, co-operation and assistance that **we** reasonably require. That may include attending one or more interviews at **our** reasonable direction.

If **you** or the claimant under this policy fail to reasonably assist **us** with the claim, **we** may reduce or refuse to pay it.

After your claim is accepted

After **we** have paid a claim under **your** policy, either in total or in part, **we** have the right to take over any legal right of recovery which **you** or a claimant under this policy have. If **we** do this, it will be for **our** benefit and at **our** expense (if **you** have been fully reimbursed). **You** or they must provide **us** with reasonable co-operation. For example, **you** or they must not limit or restrict **your** rights of recovery against any third party without **our** prior written consent.

We have the right to keep any damaged property **we** have paid for under **your** policy, including any proceeds if the items are sold.

If **we** recover more than the amount **we** paid **you** or the claimant under this policy, **we** will pay **you** or them the balance after deducting any expenses incurred by **us** in undertaking the recovery.

If any person compensates **you** or them for the insured damage of any property for which **we** have paid a claim, **you** or they must reimburse **us** for that payment. **You** or they must do this promptly after the compensation payment is made.

Reinstatement of cover following a claim

If **you** have a **buildings** or **contents** claim that does not result in **us** paying **you** the full amount of the **buildings** sum insured or general **contents** sum insured respectively, **your** cover for the insured property will continue up to the sum insured shown on **your policy schedule** (including the adjustments in the 'About your sum insured' section beginning on page 11).

If **you** have a claim for **your contents** that results in **us** paying **you** the general **contents** sum insured, the cover for **your contents** will end. However, **we** will provide temporary cover for **contents** for a sum insured of **\$5,000** for 3 months from the date of the destruction, loss or damage that resulted in that claim.

If **you** have a claim for **your buildings** that results in **us** paying **you** the sum insured, the cover for **your buildings** will end but liability cover will remain in force until the expiry date of the policy. However, liability cover in relation to **your buildings** formerly occupied by **you** will continue until the earliest of the expiry of **your** policy and:

- any construction commencing at the **insured address**;
- the sale of the **insured address** or any part of it;
- another policy that includes equivalent liability cover being taken out by **you** in relation to the **insured address**;
- the commencement of construction of a building to replace the insured **buildings** at another site;
or
- 6 months from the date of the destruction, loss or damage that resulted in that claim.

Lifetime guarantee on building repairs

If **you** have a **buildings** claim then **we** guarantee that if a defect arises in **your buildings** as a result of poor quality workmanship or poor quality materials when **we** replace, repair or rebuild **your buildings**, provided that **we**:

- have directly authorised and managed the replacement, repairs or rebuilding; and
- have paid, or have a legal liability to pay, the supplier, repairer or builder directly for this work;

then **we** will rectify the problem by authorising, managing and paying for further replacement, repair or rebuilding. **We** will, at **our** discretion, decide what needs to be done to rectify the problem.

This guarantee does not apply to:

- replacement, repairs or rebuilding that **you** arrange, authorise or make yourself (this applies even if **we** give **you** or **your** supplier, repairer or builder a payment for all or part of the repair cost);
- loss, damage or failure of any electrical or mechanical appliances or machines that form part of **your buildings**; or
- wear and tear consistent with normal gradual deterioration of **your buildings** (e.g. paint peeling off as part of its normal life cycle, wood rotting from moisture in the air or ground, roofs weathering or a hot water system leaking as a result of normal gradual deterioration).

Claims examples

Below are some examples of claim scenarios that are included here to show how a claim payment might typically be calculated. These examples are a guide only and do not cover all of the potential scenarios or all benefits that may be paid under this policy. They do not form part of the terms and conditions of **your** policy.

All dollar figures shown in these claim examples, except for **excesses**, include GST and are in Australian dollars. Each example also assumes the claimant has not claimed any input tax credits for the GST collected on their **premium**. That is, the claimant holds a 0% input tax credit entitlement under GST law.

BZI will determine actual claims payments on an individual basis taking into consideration the facts applicable to the claim and **our** assessment of any loss, damage or liability, as well as the coverage, exclusions and **excesses** set out in this policy and on **your policy schedule**.

Example 1 – partial loss to buildings and contents

You have **your buildings** and **contents** insured under a **BZI** Home Buildings and Contents Accidental Damage policy, with the following details:

- **Buildings** sum insured: \$600,000
- General **contents** sum insured: \$120,000
- **Buildings excess**: \$1,000
- **Contents excess**: \$500

A few months into the **period of insurance**, there is a major bushfire event that results in damage to some of **your buildings** and some of **your contents** at the **insured address**.

We assess the claim and determine that it will cost the following amounts which include GST:

- the cost to rebuild the **buildings** will be \$350,000;
- it will cost \$50,000 to remove the debris;
- architect's fees will be \$30,000;
- temporary accommodation whilst rebuilding takes place will be \$35,000;
- the general **contents** damaged or destroyed are valued at \$60,000.

How much we pay		Explanation
Cost to rebuild your buildings	\$350,000	The buildings sum insured is sufficient to cover the cost of rebuilding without the need to rely on the 30% sum insured safety net.
Removal of debris	\$50,000	Paid in addition to the buildings sum insured.
Architect's fees	\$30,000	Paid in addition to the buildings sum insured.
Temporary accommodation	\$35,000	Paid in addition to the buildings sum insured.
Replacement cost for contents	\$60,000	Based on the assessment of the value of the contents damaged or destroyed.
Less excess payable	-\$1,000	Only one excess is payable, the higher of the buildings and contents excesses .
Total of claim payments	\$524,000	

Example 2 – theft of valuable item

Your contents are insured under a **BZI** Home Buildings and Contents Accidental Damage policy. **You** have a watch with a retail valuation of \$15,000 and because there is a 'flexible limit' of \$10,000 per item for jewellery and watches **you** have chosen to list it is a 'specified valuable item' on **your** policy with \$15,000 as the specified value (as detailed on **your policy schedule**).

During a burglary at **your** property the watch is stolen.

How much we pay		Explanation
Cost to replace your watch	\$13,000	We organise for the replacement of your watch through a reputable jeweller and pay them \$13,000 (including GST) for the replacement. As an insurance provider, we are able to obtain a wholesale discount of \$2,000 on this occasion.
Less excess payable	-\$200	This is the excess payable under the 'specified valuable items' optional cover.
Total of claim payments	\$12,800	

Example 3 – legal liability

Your buildings are insured under a **BZI** Home Buildings and Contents Accidental Damage policy with a standard **excess** of \$1,000.

At a social gathering at **your** property one of **your** guests trips over an uneven tile in **your** backyard and unfortunately breaks their leg. They make a claim for loss of wages for an 8-week period and some out of pocket expenses. After **we** assess the circumstances behind the claim **we** determine that **you** are legally liable for this claim and that the amount **you** are liable for is \$12,000.

How much we pay		Explanation
Total amount of claim	\$12,000	Paid to the injured party.
Less excess payable	-\$0	No excess is payable because the claim is only under the 'Legal liability' cover.
Total of claim payments	\$12,000	

Goods and Services Tax

You must advise **us** of **your** correct input tax credit percentage (**your** entitlement to GST credits on the insurance **premium**), where **you** are GST registered as a business and have an Australian Business Number.

We will not indemnify **you** for any GST liability, fines or penalties that arise from or are attributable to **your** failure to notify **us** of **your** entitlement (or correct entitlement) to an input tax credit on the **premium**.

The sum insured values that **you** choose should exclude GST and all dollar amounts in this PDS are exclusive of GST unless stated otherwise.

In the event of a claim, if **you** are not registered for GST, **we** will reimburse **you** the GST component, in addition to the amount **we** pay **you**. If **you** are registered for GST the amount that **we** are liable to pay under this policy will be reduced by the amount of any input tax credit that **you** are or may be entitled to claim for the supply of goods or services covered by that payment.

If **you** are unsure about the taxation implications of this policy, **you** should seek advice from **your** accountant or tax professional.

WHERE WE COVER

Cover at the insured address

Your buildings and/or **contents** are covered at the **insured address**, as shown on **your policy schedule**. If **you** have **contents** cover, **your contents** items are covered while they are inside a building that is fully enclosed at the **insured address**.

They may be covered in the open air at the **insured address** or away from the **insured address** subject to the limitations and exclusions in the 'Contents in the open air', 'Contents in storage' and 'Contents away from your insured address' sections below.

Contents in the open air

If **you** have **contents** cover, **your contents** items are covered while they are in the open air at the **insured address**.

The most **we** will pay for **contents** in the open air in any one claim is the general **contents** sum insured shown on **your policy schedule**.

Contents in storage

If **you** have **contents** cover, **your contents** items will be covered whilst stored in a secure commercial storage facility in Australia, provided the commercial storage facility is:

- fully enclosed; and
- lockable; and
- only accessible by **you** or someone authorised by **you**.

Contents with flexible limits

Contents items shown in the following table have flexible limits which determine the most **we** will pay for those items unless **you** have asked **us** to increase the limit, and **we** have agreed and provided **you** with an updated **policy schedule**. Please refer to the optional cover 'Specified valuable items' on page 47 for more details on increasing limits.

When **you** ask **us** to increase the limit for any of these items:

- **we** may ask for, and **you** will need to pay **us**, an additional **premium**;
- they will be shown on **your policy schedule** as 'Specified valuable items'; and
- **your policy schedule** will show the specified value each item is insured for – this value is the most **we** will pay for that item.

If **you** do not ask **us** to increase the limit for any of these items then the limits in the table below will apply.

Contents item	Flexible limit
Jewellery and watches	\$10,000 per item, pair, set \$50,000 in total
Collections, sets and memorabilia (such as medals, stamps and currency)	\$10,000 per collection \$50,000 in total

WHAT YOU ARE COVERED FOR

What you are covered for – buildings or contents

If **you** select cover:

- only for **your buildings**, the cover provided under this policy for destruction, loss or damage does not apply to any **contents**; or
- only for **your contents**, the cover provided under this policy for destruction, loss or damage does not apply to any **buildings**.

Your policy schedule will show if **you** have **buildings** and/or **contents** cover.

Subject to the terms, conditions, limits and exclusions of the policy, **your buildings** or **contents**, as shown on **your policy schedule**, will be covered if they are accidentally destroyed, accidentally lost or accidentally damaged during the **period of insurance**.

However, in certain circumstances the cover will only apply when specific conditions are met:

- Landslide or subsidence

The cover for landslide or subsidence only applies if the loss or damage occurs within **72 hours** of, and as a direct result of, one of the following:

- **storm** including rainwater, hail, snow or wind;
- **flood**;
- earthquake or tsunami;
- explosion; or
- escape of liquid from a fixed pipe or something attached to a pipe, fixed gutter, fixed tank apparatus or drain.

- Unoccupied **buildings**

You are not covered for destruction, loss or damage if the **buildings** at the **insured address** have not been **occupied** for a continuous period of **100 days** or more, unless the destruction, loss or damage is a direct result of:

- earthquake or tsunami;
- lightning or thunderbolt;
- riot or civil commotion; or
- impact by a vehicle, aircraft, watercraft, space debris, rocket, satellite or a tree branch; however **we** will not cover any subsequent resultant damage (for example, water entering the **buildings** following earthquake damage) unless reasonable steps have been taken to prevent subsequent and resultant damage.

If the **buildings** at the **insured address** are not going to be **occupied** for more than **100 days** then **you** can ask **us** to provide cover and if **we** agree to do so **we** will advise **you** in writing.

The cover that is provided under this policy should also be considered in conjunction with the 'What you are not covered for – buildings or contents' section (page 33) and the 'General exclusions' section (beginning on page 62).

What you are not covered for – buildings or contents

In addition to the 'General exclusions' section (beginning on page 62) **we** will not provide cover for **your buildings or contents**, when they are destroyed, lost or damaged by any of the following events:

- landslide or subsidence, except as described in the 'What you are covered for' section above;
- erosion;
- settling, shrinkage or any movement of the earth;
- water entering the building through any opening made for the purposes of building repairs or renovation;
- rust, corrosion, gradual deterioration, depreciation, wear or tear;
- insects, vermin or rodents, however **we** will cover any resulting damage from a fire or escape of liquid that is caused by them;
- roots from trees, plants, shrubs or grass. However, this exclusion only applies to damage caused directly by the roots. For example, if tree roots damage and block a pipe, **we** will pay for the resultant damage to the **buildings** caused by the water overflowing into the **buildings**. **We** will not pay for the damage to the pipe;
- any process of cleaning involving the use of chemicals other than domestic household chemicals;
- a defect in an item, structural fault, poor or faulty design specification, materials, planning or workmanship. **We** will not apply this exclusion to resultant damage that is otherwise covered under this policy, where **you** were not and could not have been reasonably aware of the problem leading up to the incident. **We** will not pay the cost of the rectification of the defect, structural fault, design fault, material or planning itself. Once **you** are aware of the problem, **you** need to fix it within a reasonable time period; failing which, **we** may not accept any future claims caused by the same or related problem. A reasonable time period depends on a number of factors, including the scope of the required repairs and the availability of repairers in **your** area;
- **malicious damage** or vandalism by **your** tenant;
- theft by **your** tenant;
- deliberate or intentional acts by **your** tenant;
- mechanical or electrical breakdown unless covered under the additional cover 'Mechanical or electrical breakdown' on page 41. However, this exclusion does not apply to the resultant loss or damage to **your buildings**.

ADDITIONAL BENEFITS

If we accept **your** claim for **your buildings** or **contents** being accidentally destroyed, accidentally lost or accidentally damaged during the **period of insurance**, we will also provide the following additional benefits. These additional benefits will be paid in addition to the **buildings** or general **contents** sum insureds shown on **your policy schedule**, up to the limits shown below for each of the additional benefits.

There are some things which are excluded under these additional benefits and these are shown below. In addition, the terms in the 'General exclusions' section beginning on page 62 should also be referred to when determining whether any additional benefit will be paid.

Sum insured safety net

If **you** have cover for **your buildings** and:

- they are accidentally destroyed or accidentally damaged; and
- **we** determine that the cost of repairing or replacing **your buildings** exceeds the **buildings** sum insured shown on **your policy schedule**;

then **we** will pay up to **30%** more than the **buildings** sum insured to either:

- repair or replace **your buildings**; or
- pay the **cash settlement value** if **we** agree to pay it.

This additional benefit does not change the **buildings** sum insured that is used in determining any other additional benefit or additional cover – they will be calculated based on the **buildings** sum insured shown on **your policy schedule**.

You must ensure that if **you** make any changes to **your buildings** such as renovations to increase their size or quality, then the **buildings** sum insured on **your** policy is updated to reflect these changes.

Removal of debris

If **you** have cover for **your buildings** and they are accidentally destroyed or accidentally damaged then **we** will pay the reasonable costs to:

- make the **insured address** safe (such as temporary fencing to restrict access); and/or
- demolish, remove and dispose of any building debris that was caused by it being accidentally destroyed or accidentally damaged.

If **you** have cover for **your contents** and they are accidentally destroyed, accidentally lost or accidentally damaged, **we** will pay the reasonable costs to:

- remove and dispose of any damaged **contents** items.

Rebuilding fees

If **you** have cover for **your buildings** and they are accidentally destroyed or accidentally damaged then **we** will pay the reasonable costs of:

- fees charged by architects, surveyors or engineers; and
- legal fees or fees charged by statutory authorities, that arise in respect of the reinstatement of **your buildings**.

Meeting building regulations

If **you** have cover for **your buildings** and they are accidentally destroyed or accidentally damaged then **we** will pay the reasonable costs to meet current building regulations or laws that are required when they are being rebuilt or repaired.

The most **we** will pay is **20%** of the **buildings** sum insured shown on **your policy schedule**.

We will not pay any costs associated with:

- building regulations or laws that were already in place when the **buildings** were originally built, or subsequently altered or renovated; or
- upgrading undamaged parts of **your buildings** to comply with current building regulations or laws.

Temporary accommodation for home owners

If **you** have cover for **your buildings** and:

- they are accidentally destroyed or accidentally damaged; and
- **you** are unable to live in the **buildings** as a result of the destruction or damage;

then **we** will pay reasonable costs for:

- temporary accommodation for **you, your family** and any domestic pets that normally resided at the **insured address**;
- any additional living expenses that **we** agree are necessary and appropriate (such as mail redirection costs, utility connection costs); and
- any necessary costs to remove and store **your contents** and then return them to **your buildings**;

for the period it takes to repair or rebuild **your buildings** so they can be lived in again.

The most **we** will pay under this additional benefit for any one claim is **20%** of **your buildings** sum insured as shown on **your policy schedule**.

We will not pay temporary accommodation costs if:

- **you** were not permanently living in the **buildings** at the time they were accidentally destroyed or accidentally damaged;
- **you** do not intend to repair or rebuild **your buildings**; or
- there are unreasonable delays in repairing or rebuilding **your buildings** that **you** contributed to.

Temporary accommodation for tenants or strata title owners

If **you** have cover for **your contents** and:

- the **buildings** at the **insured address** are accidentally destroyed or accidentally damaged; and
- **you** are unable to live in the **buildings** as a result of the damage;

then **we** will pay reasonable costs for:

- temporary accommodation (if **you** own and live in a unit) or extra rent costs (if **you** are a tenant) for **you, your family** and any domestic pets that normally resided at the **insured address**; and
- any additional living expenses that **we** agree are necessary and appropriate (such as mail redirection costs, utility connection costs); and
- any necessary costs to remove and store **your contents** and then return them to the **buildings**;

for the period it takes to repair or rebuild the **buildings** at the **insured address** so they can be lived in again.

The most **we** will pay under this additional benefit for any one claim is **20%** of **your general contents** sum insured as shown on **your policy schedule**.

The amount **we** pay under this additional benefit may be reduced by any amounts that can be recovered for temporary accommodation costs under another insurance policy held by a body corporate or similar common property management entity.

We will not pay temporary accommodation costs if:

- **you** were not permanently living in the **buildings** at the **insured address** at the time they were accidentally destroyed or accidentally damaged;
- the **buildings** at the **insured address** are not intended to be repaired or rebuilt; or
- there are unreasonable delays in repairing or rebuilding the **buildings** at the **insured address** that **you** contributed to.

Plants, trees & shrubs

If **you** have cover for **your buildings** and they have been accidentally destroyed or accidentally damaged then **we** will pay the cost of replacing any plants, trees or shrubs that were damaged at the same time.

We will not pay any costs related to:

- lawns or grass;
- pot plants; or
- any plants that were being grown for commercial use.

The most **we** will pay under this additional benefit for any destruction or damage as a result of **storm** or **flood** is **\$5,000** per claim.

Prevention of further loss or damage

If **your buildings** or **contents** are lost or damaged and **we** have agreed that the loss or damage will be covered under this policy then **we** will pay the reasonable and necessary costs to protect **your buildings** or **contents** from further loss or damage until **your** claim is settled or this policy states otherwise.

Locating the source of escaped liquid

If **you** have cover for **your buildings** or **contents** and **we** accept a claim for damage caused by liquid escaping, leaking, overflowing or bursting from any of the following:

- house gutters, drainpipes or pipes;
- sanitary fixtures (such as toilets, sinks or baths);
- appliances (such as washing machines, refrigerators or dishwashers);
- waterbeds;
- swimming pools or spas;
- fixed heating systems;
- fixed water tanks; or
- aquariums;

then **we** will also pay for the reasonable costs associated with locating the cause of the damage, and any damage to **your buildings** or **contents** caused while looking for the cause.

We will not pay under this additional cover:

- any costs associated with repairing or replacing the item from which the liquid escaped; or
- if **you** do not own the **buildings** for which this claim is made (e.g. if **you** are a tenant); or
- if **you** own the **buildings** under a strata plan, body corporate, stratum, company title arrangement or similar, and **you** do not own all of the **buildings** at the entire site. In that situation, **we** will only provide cover under the terms of this additional benefit if the body corporate's or similar common property management entity's insurance provider does not provide the type and level of cover described in this additional benefit.

Mortgagee discharge costs

If **you** have cover for **your buildings** and **you** have a claim where **we** pay the full amount of the **buildings** sum insured shown on **your policy schedule** then **we** will pay the reasonable administration costs for **you** to discharge any mortgage over the **buildings**.

Replacement of important documents

If **you** have **buildings** cover and **your** Certificate of Title is destroyed or damaged then **we** will pay the reasonable cost to replace it.

If **you** have **contents** cover and **your** important documents (such as passports, wills, birth or marriage certificates) are destroyed or damaged then **we** will pay to reinstate, reproduce or restore them.

Storage of undamaged contents

If **you** have cover for **your contents** and **you** are unable to live at the **buildings** at the **insured address** because they have been accidentally destroyed or accidentally damaged then **we** will pay the reasonable costs to remove and store **your** undamaged **contents** until they can be kept at the **insured address**.

The most **we** will pay is **20%** of the general **contents** sum insured shown on **your policy schedule**.

We will not pay storage costs if the undamaged **contents** are being stored at the same place as the temporary accommodation **you** will be living at until the **buildings** at the **insured address** are able to be lived in again.

The **contents** items will continue to be insured while in storage subject to the conditions and limitations outlined in the 'Where we cover' section beginning on page 25.

Building materials

If **you** have cover for **your buildings** and the following items are accidentally destroyed, accidentally lost or accidentally damaged then **we** will pay the cost of replacing them:

- unfixed building materials such as bricks, tiles or timber; or
- gas or electrical appliances that were due to be fitted to **your buildings**, such as a dishwasher or oven, provided they were in a locked and fully enclosed building.

The most **we** will pay is **\$2,000** per **period of insurance**.

We will not pay any costs related to sand, gravel, bark, soil or similar materials.

Environmental improvements

If **you** have **buildings** cover and **your buildings** are totally destroyed then **we** will pay up to **\$5,000** of **your** net costs in purchasing and installing environmental improvements such as rainwater tanks, solar power systems or grey water recycling systems.

Net costs are the costs after any rebates **you** were eligible for at the date of the loss under any government or council schemes.

If **you** have **contents** cover and **we** have agreed to replace any refrigerators, washing machines, clothes dryers or dishwashers that have been lost or damaged then **we** will replace them with items that have at least a 3-star energy rating regardless of whether the original item had such a rating.

Claim preparation fees

We will pay professional fees which **you** incur, with **our** consent, in the preparation of **your** claim.

The most **we** will pay in a **period of insurance** is **\$5,000**.

Excess waiver for total loss

If **you** have cover for **your buildings** or **contents** and **you** have a claim where **we** pay the full amount of the **buildings** sum insured or the general **contents** sum insured shown on **your policy schedule** then **you** are not required to pay an **excess** on that claim.

Counselling

If **you** or a member of **your family** normally living at the **insured address** requires counselling as a direct result of a fire or theft at the **insured address** then **we** will pay reasonable costs up to **\$2,000** for the costs associated with the counselling.

However, **we** will not provide any cover that would contravene any law, including but not limited to, the Health Insurance Act 1973 (Cth) or the Private Health Insurance Act 2007 (Cth).

Fatal injury benefit

If **you** or a member of **your family** normally living at the **insured address** dies as a direct result of a physical injury caused by an accident at the **insured address** then **we** will pay **\$15,000** to the estate of the deceased person (up to a maximum of **\$15,000** in any one **period of insurance**).

Modifications to the home

If **you** or a member of **your family** normally living at the **insured address** is permanently disabled as a direct result of a physical injury caused by an accident at the **insured address** then **we** will pay up to **\$25,000** for modifications required to allow **you** or **your family** member to continue to live there, or in relocating **you** to a suitable home if **you** are a tenant.

Paraplegia, quadriplegia or permanent total disablement benefit

If **you** or a member of **your family** normally living at the **insured address** suffers:

- permanent paraplegia;
- permanent quadriplegia; or
- permanent total disablement;

as a direct result of a physical injury caused by an accident at the **insured address** then **we** will pay **\$15,000** to the person who suffered the permanent paraplegia, permanent quadriplegia or permanent total disablement, up to a maximum of **\$15,000** in any one **period of insurance**.

ADDITIONAL COVERS

This policy also provides the following additional covers. These additional covers can be claimed for without there being any loss or damage to **your buildings** or **contents** as defined in the previous sections.

This section shows what is covered under each of these additional covers, and what limitations or exclusions there are. In addition, the terms in the 'General exclusions' section beginning on page 62 should also be referred to when determining whether any additional cover will be paid.

If **you** have cover for **your buildings**, **we** will pay for loss or damage caused by **mechanical or electrical breakdown** to built in:

- air conditioners, coolers and fans;
- dishwashers, spas and pool filter motors; and
- vacuum cleaners, security gates or garage doors.

We will also pay the reasonable cost to repair or replace an electrical machine or appliance, that forms part of **your buildings** if it has a **mechanical or electrical breakdown**.

- radios, DVD or CD players, audio or amplifying equipment, televisions or video players;
- sound or video recorders or cameras;
- microwave ovens;
- equipment or motors under manufacturer's guarantee or warranty; or

The relevant **buildings excess** or **contents excess** will apply to any claims under this additional cover.

We will not pay for veterinary expenses associated with:

- any illness or disease; or
- any cats or dogs that are used for commercial activities.

No **excess** applies when **you** claim under this additional cover only.

If a key to an external door lock or external window lock is lost or stolen anywhere in Australia or New Zealand during the **period of insurance** then **we** will pay the reasonable and necessary costs to replace the external lock, key or cylinder with a similar item.

No **excess** applies when **you** claim under this additional cover only.

Food and medication spoilage

If **you** have **contents** cover then **we** will pay the reasonable costs to replace any refrigerated/frozen food or refrigerated prescription medicines that are spoiled as a result of:

- accidental destruction, loss or damage to the refrigerator or freezer;
- **your** freezer or refrigerator breaking down; or
- a failure of the electricity supply;

during the **period of insurance**.

No **excess** applies when **you** claim under this additional cover only.

Selling your home

If **you** have **buildings** cover and **you** have entered into a contract to sell **your buildings** then the cover under this policy will extend to the purchaser of the property from when they are liable for damages to the **buildings** until the earlier of the following:

- the contract is settled or terminated; or
- the purchaser insures the **buildings** themselves; or
- this policy is cancelled by **you** or **us**.

Fire brigade attendance fees

We will pay reasonable costs up to **\$2,000** for a fire brigade or similar authorised organisation to attend and protect **your buildings** or **contents** against an actual fire or other emergency.

No **excess** applies when **you** claim under this additional cover only.

Security attendance fees

If **you** have **contents** cover then **we** will pay reasonable costs up to **\$2,500** for a security firm to attend the **insured address** in response to **your** monitored burglar alarm system being activated due to a burglary or attempted burglary.

We will not pay these costs if there is a false alarm or if there is no evidence of a burglary or attempted burglary.

No **excess** applies when **you** claim under this additional cover only.

Denial of access

If **you** cannot live at the **insured address** because a government authority denies **you** access then **we** will pay any increase in **your** living expenses that is necessary and reasonable to maintain **your** normal standard of living for up to **90** days.

The denial must be as a direct result of destruction, loss or damage to neighbouring premises that would be covered under this policy if it had occurred at **your insured address**.

Permanently moving your contents to a new address

If **you** have **contents** cover and **you** are moving them to a new permanent residence or a commercial storage facility in Australia then they are covered while they are being moved for loss or damage due to:

- fire;
- **flood**; or
- collision or theft of the vehicle that is transporting them.

The most **we** will pay under this additional cover is the general **contents** sum insured shown on **your policy schedule**.

Purchasing a new home

If **you** have **buildings** cover and **you** have entered into a contract to purchase a new residential **building** that **you** will move into when **you** vacate the **buildings** listed on **your policy schedule**, **we** will insure **your** new residential **buildings** for a period of up to **30 days** from the date **you** sign the contract of purchase.

The most **we** will pay for a claim at the replacement residential **buildings** is the **buildings** sum insured shown on **your policy schedule**.

Cover for the replacement residential **buildings** will only be provided beyond the **30 day** period if:

- **you** give **us** the details about the replacement **buildings** prior to the end of the **30 day** period; and
- **we** agree to provide cover for the replacement **buildings** and **you** agree to any changes that **we** require to the cover provided (for example a higher **excess**); and
- **you** pay any extra **premium** that is required.

Contents at your new address

If **you** have **contents** cover and **you** are moving into a new permanent residence then **your contents** will be covered at both the **insured address** on **your policy schedule** and the new address for a period:

- from the day **you** start moving **your contents** to the new address;
- for up to **180 days**.

The cover provided under this additional cover is on the same terms as those provided at the original **insured address**.

As soon as practicable and prior to the end of the **180 day** period **you** must inform **us** of the details of **your** new address so **we** can determine whether **your contents** items can continue to be covered there.

Identity theft

If **you** have **contents** cover and **your** identity is stolen by someone knowingly using **your** personal details without lawful authority, for fraudulent use or financial gain then **we** will pay up to **\$5,000** in any **period of insurance** for **your** costs and expenses incurred to restore **your** identity from its unauthorised use.

The costs and expenses **we** will pay for under this additional cover are limited to:

- legal expenses for **your** defence against a business or its collection agency from which goods or services have been purchased fraudulently;
- legal expenses for removal of any wrongfully recorded civil or criminal prosecutions or to challenge consequent incorrect information available on **your** consumer credit report;

- loan application fees incurred by **you** as a result of re-applying for a loan because **you** have been allotted incorrect credit information due to the identity fraud;

- costs for notarising affidavits, telephone calls and certified mail expenses to law enforcement or financial institutions; or
- other reasonable legal fees and court costs, but only if incurred with **our** approval.

We will not pay any claim where the identity theft is caused by:

- **you** or **your** collusion;
- **your family** or their collusion; or
- **your** ex-partner; or
- someone who normally lives with **you**.

We will not pay any claim where the identity theft arises out of:

- **you** or **your family** committing an illegal or dishonest act;
- **you** breaching any security requirements or conditions imposed by any financial institution, such as in relation to **your** password or personal identification number or personal access number; or
- business interruption in relation to any business.

Subject to section 54 of the Insurance Contracts Act 1984 (Cth), the exclusions in the preceding two paragraphs do not apply where **we** have reviewed the claim and are reasonably satisfied that a particular person covered by this policy, who has a financial interest under this additional cover, in respect of the claimed incident:

- was a victim of domestic violence, coercion or a vulnerable person; and
- did not contribute to, assist, facilitate or cause it.

If so, and the incident otherwise meets the terms of this policy, **we** will settle the claim for that particular person, but only to the extent of their insured loss.

Claims are only payable under this additional cover if **you** normally reside in Australia, the identity fraud occurs in Australia, and all losses and expenses are incurred within Australia.

We will not:

- repay any loans or other amounts fraudulently procured in **your** name;
- pay any fines or any infringement or penalties imposed; or
- pay any costs that are or could be reimbursed from another party, for example, a financial institution.

No **excess** applies when **you** claim under this additional cover only.

Theft of financial cards

If **you** have **contents** cover and **your** credit card, debit card or stored value card is stolen and used fraudulently during the **period of insurance**, **we** will cover **your** loss up to **\$5,000** for any one incident.

To be eligible to claim under this additional cover **you** must comply with the terms and conditions of the card's use.

The card cannot be stolen by **you** or anyone who lives at the **insured address**.

The amount **we** pay under this additional cover will be reduced by any amount covered by the card's issuer.

No **excess** applies when **you** claim under this additional cover only.

Contents of invited guests

If **you** have **contents** cover then **we** will also cover the **contents** items owned by invited guests if they are accidentally destroyed, accidentally lost or accidentally damaged during the **period of insurance** at the **insured address**.

Contents items are covered as per the definition in the 'What are contents' section in this policy (see page 28).

The most **we** will pay for money, bullion or negotiable instruments is **\$2,000**.

The most **we** will pay is **\$5,000** for any one claim.

We will not pay if these **contents** items are insured under another insurance policy arranged by someone other than **you**.

The **contents excess** shown on **your policy schedule** will apply to any claims under this additional cover.

Tax audit

We will pay for the fees **you** must pay to an accountant when **your** personal affairs are audited by the Australian Tax Office.

You must advise **us** of any such audit prior to the fees being incurred.

We will not pay claims for:

- any audit that relates to a criminal prosecution;
- fees where the final assessment of **your** taxable income for the period being audited is 20%, or more, higher than **your** original declaration;
- fees for work performed outside the time limits allowed by the Australian Taxation Office; or
- any fines, penalties or adjustments of taxation.

The most **we** will pay under this additional cover is **\$5,000** during any **period of insurance**.

No **excess** applies when **you** claim under this additional cover only.

OPTIONAL COVERS

You can ask **us** to add one or more of the following optional covers to **your** policy. If **you** do and **we** agree to add the optional cover then **we** will require an additional **premium** and the details of the optional cover added will be shown on **your policy schedule**. If these optional covers are not shown on **your policy schedule** then they have not been added to **your** policy and the coverage described in this section does not apply.

This section shows what is covered under each of these optional covers if they have been added to **your** policy, and what limitations or exclusions there are. In addition, the terms in the 'General exclusions' section beginning on page 62 should also be referred to when determining whether any purchased optional cover will be paid.

Specified valuable items

If **you** have **contents** cover and **you** have items that would be subject to the limits in the section 'Contents with flexible limits' (see page 31), **you** can choose to insure these items ('valuable items') for more than these limits.

The **contents** with flexible limits are as follows:

Contents item	Flexible limit
Jewellery and watches	\$10,000 per item, pair, set \$50,000 in total
Collections, sets and memorabilia (such as medals, stamps, and currency)	\$10,000 per collection \$50,000 in total

If **you** choose to specify any valuable item, and **we** agree, then it will be covered if it is accidentally destroyed, accidentally lost or accidentally damaged. It will be shown on **your policy schedule** alongside the specified value **you** have chosen, and this is the most **we** will pay for that item.

The locations that each specified valuable item will be covered will be as defined in the 'Where we cover' section of this policy (see page 25).

In the event of a total loss of any item or article which is part of a pair, set or collection, **we** agree to pay **you** – at **your** option, exercisable after the loss – the full amount of the value of such pair, set or collection, and **you** agree to surrender the remaining article or articles of the pair, set or collection to **us**.

The **excess** that applies to any claim under this optional cover only will be shown on **your policy schedule**.

Home business extension

If **you** have **contents** cover and **you** have added the optional cover for the 'Home business extension' and paid **us** the additional premium **we** require, **you** will be covered for the extensions detailed in the remainder of this section.

Cover under this optional cover is subject to all other terms and conditions, limits and exclusions of the policy, unless otherwise stated within this section.

Tools of trade and equipment

If **you** have added the optional cover for the 'Home business extension', the fixed limit for **tools of trade and equipment** used for a business activity (see page 30) is increased to **\$50,000**. The limit cannot be increased any further beyond this.

Photographic equipment and accessories

With the 'Home business extension' optional cover, the definition of **contents** is amended to include photographic equipment and accessories while they are being used to earn an income. Please see page 28 for more details.

Stock on premises

Under the 'Home business extension' optional cover, the definition of 'What are contents' on page 28 is extended to include:

- **stock** on premises (at the **insured address**);
- **stock** temporarily away from the **insured address**.

Stock is covered for loss or damage caused by fire or theft only.

The maximum amount **we** will pay for any one claim for loss or damage to **stock** at the **insured address** is **\$25,000**.

The maximum amount **we** will pay for any one claim for loss or damage to **stock** temporarily away from the **insured address** is **\$2,000**.

There is no cover under this extension for any items of **stock** that are listed on the 'What are not contents' on page 29.

Money on premises

If **you** have added the optional cover for the 'Home business extension', the fixed limit for money, bullion and negotiable instruments (see page 30) is increased to **\$5,000** at the **insured address**. The limit cannot be increased any further beyond this.

The existing fixed limit of **\$2,000** still applies for cover away from the **insured address**.

Motor burnout – business equipment

Under the 'Home business extension' optional cover, electric motors that form part of equipment used in conjunction with **your** business, trade or profession will be covered under the 'Mechanical or electrical breakdown' additional cover (see page 41).

The most **we** will pay for a claim under that additional cover associated with a business use electric motor is **\$10,000**.

All other conditions and exclusions in the 'Mechanical or electrical breakdown' additional cover apply.

Tax audit – business affairs

If **you** have added the optional cover for the 'Home business extension', **we** will pay for the fees **you** must pay to an accountant when **your** business affairs are audited by the Australian Tax Office.

All other conditions, limits and exclusions in the 'Tax audit' additional cover on page 46 apply, including the maximum amount of **\$5,000** payable for this cover during any **period of insurance**.

Rewriting of records

Under the 'Home business extension' optional cover the definition of 'What are contents' on page 28 is extended to include:

- the business' records, including customer records and documents held or created by **you** as part of **your home business**.

We will pay the reasonable and necessary costs incurred in rewriting, restoring or recreating the business' records covered under the 'Home business extension' optional cover when they are accidentally lost, accidentally destroyed or accidentally damaged at the **insured address**.

The most **we** will pay for a claim under this additional cover is **\$25,000**.

Legal liability – home business extension

If **you** have added the optional cover for 'Home business extension' **you** will also be covered for legal liability as detailed in the section 'Legal liability home business extension' beginning on page 56.

Home business revenue protection

If **you** have added the 'Home business extension' optional cover and:

- the **buildings or contents** at the **insured address** are accidentally destroyed, accidentally lost or accidentally damaged; or
- **you** are unable to access **your home business** at the **insured address** as a direct result of accidental destruction, loss or damage to neighbouring premises that would be covered under this policy if it had occurred at **your insured address**;

and

- there is a **shortage in trended revenue** for **your home business** that occurs during the **indemnity period** of up to **6 months** as a direct result of the destruction, loss or damage;

then **we** will cover:

- the **shortage in trended revenue** during the **indemnity period**; and
- any additional expenses necessarily incurred during the **indemnity period** for the purpose of reducing or avoiding the **shortage in trended revenue** (but for not more than the **shortage in trended revenue** thereby reduced or avoided).

The most **we** will pay for any one claim under the 'Home business revenue protection' benefit is the limit specified on **your policy schedule**.

We will also provide cover if there is a loss of accounts receivable **you** cannot recover from **your** debtors resulting from covered loss or damage to business records or **electronic data** up to **\$5,000**.

Below is an example of a claim scenario under the 'Home business revenue protection' benefit which is included here to show how a claim payment might typically be calculated. This example is a guide only and does not cover all of the potential scenarios or all benefits that may be paid under this policy. It does not form part of the terms and conditions of this policy.

All dollar figures shown in this claim example, except for **excesses**, are GST exclusive unless stated otherwise and in Australian dollars. This example also assumes the claimant has a 100% input tax credit entitlement under GST law for the GST collected on the premium collected for this 'Home business extension'.

Claims example – Home business revenue protection	
<p>You operate a social media consultancy business from your home and have purchased the 'Home business extension' under this policy.</p> <p>During the period of insurance there is a fire at the insured address which destroys your home office and forces you to find a new location to operate your home business. Your home is uninhabitable for 8 months while the repairs are undertaken and alternative premises are required to run your home business.</p> <p>Your actual trended revenue in the 12 months leading up to the date of damage was \$250,000 (excluding GST).</p> <p>The claim payment would be calculated as follows:</p>	
<p>While the home business is interrupted for 8 months, the maximum indemnity period is 6 months.</p> <p>Actual trended revenue $\\$250,000 \times \frac{6 \text{ months}}{12 \text{ months}}$</p>	\$125,000
<p>You incur some increased costs as a result of the interruption to your home business and these costs are incurred to resume business services and avoid further shortage in trended revenue.</p>	\$30,000
<p>There are expense savings as a consequence of not operating your business for 1 month whilst you re-locate your premises.</p>	-\$2,000
<p>Less the actual revenue generated whilst operating from alternative premises during the indemnity period.</p>	-\$80,000
Total claim payment	\$73,000

LEGAL LIABILITY

What you are covered for – legal liability

The following covers are subject to the terms, conditions, limits and exclusions of the policy.

- the death of, or **personal injury** to, a person; or
- the **damage to property**;

resulting from an **occurrence** during the **period of insurance** anywhere in the world. This does not include any amount **you** have to pay because **you** are the owner of any land or premises or the occupier of **your buildings**.

What you are not covered for – legal liability

In addition to the 'General exclusions' section (beginning on page 62) these exclusions apply to **your** liability cover and additional benefits below in the 'Additional benefits – legal liability' section beginning on page 54.

See page 62 to read more about section 54 of the Insurance Contracts Act 1984 (Cth) and how it applies to this policy.

Subject to section 54 of the Insurance Contracts Act 1984 (Cth), **we** will not cover any liability arising from:

- use of a motor vehicle, motorcycle, mini-bike, aircraft, drone or watercraft, however **we** will cover liability that:
 - arises from the ownership, custody or use of any:
 - (a) model or toy aircraft (not including a drone of any size);
 - (b) surfboard, sailboard, surf ski, ocean ski, kayak, canoe, kite surfing equipment or stand up paddleboard; or
 - (c) watercraft no more than four metres long and that does not require registration under state or territory law, however **we** will not cover any liability arising from personal watercraft (for example, jet skis);
 - **we** cover under the additional benefit 'Motor vehicle liability' (see page 54);
 - use of a caravan or trailer when the caravan or trailer is attached to a motor vehicle or motorcycle;
 - any agreement or contract **you** enter into, however **we** will cover **your** liability if **you** would have been liable without the agreement or contract;
 - directly or indirectly out of or in connection with the actual or alleged use or presence of asbestos;
 - gaining a personal profit or advantage that is illegal;
 - a conflict of duty or interest;
 - any act or omission that is dishonest, fraudulent, criminal, wilful or **malicious damage**. This exclusion does not apply where **we** have reviewed the claim and are reasonably satisfied that a particular person covered under this policy section, in respect of the claimed incident:
 - was a victim of domestic violence, coercion or a vulnerable person; and
 - did not contribute to, assist, facilitate or cause it.
- If so, and the incident otherwise meets the terms of this policy, **we** will settle the claim for that particular person, but only to the extent of their legal liability;
- any loss that can be reimbursed by **your** sporting or social club or community organisation;
 - any disease that is transmitted by **you**, or any member of **your family** who normally lives with **you**;

- any business, profession, trade or occupation carried on by **you**, except if **you** have added the 'Home business extension' optional cover to **your** policy (see page 48), in which case the cover for liability detailed in the section 'Legal liability home business extension' on page 56 is included.

This business, profession, trade or occupation exclusion does not include being a committee member of a sporting or social club or community organisation where **you** do not receive more than \$1,000 per year for holding this position.

This business, profession, trade or occupation exclusion also does not include letting the home for domestic purposes, or babysitting on a casual basis. Babysitting is not considered to be on a casual basis if:

- the babysitting is not of a casual nature; and
- any licence of other permission is required by any government body or public authority in order to legally conduct the babysitting; and
- the income derived from the babysitting is the primary or only source of the household's income; and
- there is a registered business associated with the babysitting.

We will not cover any:

- penalties, fines or awards of aggravated, exemplary or punitive damages made against **you**;
- **personal injury** to **you**, or any member of **your family** who normally lives with **you**, or any other person who normally lives with **you**;

- alterations, repairs, renovations or additions to **your buildings**, that cost more than \$150,000.

The most we will cover – legal liability

The most **we** will cover for any liability claim is **\$30,000,000** inclusive of GST, for any one **occurrence**.

No **excess** applies when **you** claim under this legal liability cover only.

Additional benefits – legal liability

The following covers are subject to the terms and conditions, limits and exclusions of the policy.

Defence costs

In addition to the limit of **your** legal liability cover, if **we** agree **you** are entitled to liability cover under this policy in respect of an **occurrence**, **we** will also pay legal costs incurred with **our** consent to defend the claim.

Expenses incurred in attending court

In addition to the limit of **your** legal liability cover, **we** will reimburse **you** for reasonable expenses and proven income loss, incurred in attending court in relation to a liability claim covered by this policy at **our** request up to **\$250** per day but excluding the first day, and up to a total of **\$5,000** in any one **period of insurance**. **We** will only reimburse income loss for days on which **you** are not able to conduct any income-earning activity.

If **you** are:

- self-employed or a working director, then 'income' means the gross daily income from such personal exertion after allowing for the costs and expenses incurred in deriving that income;
- an employee, then 'income' means the gross daily income from personal exertion, excluding overtime payments, bonuses, commissions or allowances.

In each case the amount of **your** income will be averaged over the 12 months immediately preceding **our** request (reasonably determined) or such shorter period during which **you** have been so engaged. **You** must provide **us** with reasonably requested documentation, correspondence, records, or other information in support of any claim for lost income.

Motor vehicle liability

We will cover **you** against a claim for compensation or expenses which **you** become legally liable to pay resulting from an **occurrence** that occurs during **your period of insurance** for:

- the death of, or **personal injury** to, a person; or
- the **damage to property**;

arising from the ownership, custody, or use of any vehicle except a tractor, not required to be registered by law including:

- motorcycles (including quad bikes, mini bikes and trail bikes) up to 250cc capacity;
- mobility scooters;
- golf buggies;
- ride on mowers;
- any motorised wheelchair; or
- any domestic trailer not attached to any vehicle.

We will also insure **you** against a claim for compensation or expenses **you** become legally liable to pay for:

- the death of, or **personal injury** to, a person caused by **you** solely as a result of **you** being a passenger in a registered vehicle if the **occurrence** causing the death or **personal injury** occurs during **your period of insurance**; or
- the death of, or **personal injury** to, a person arising from the ownership, custody or use of any registered vehicle if the **occurrence** causing the death or **personal injury** takes place at the **insured address** and occurs during **your period of insurance**.

The most **we** will pay for all claims arising out of any one **occurrence** under this additional benefit is **\$30,000,000** inclusive of GST.

In addition to the limit of **your** liability cover, if **we** agree that **you** are entitled to liability cover under this additional benefit in respect of an **occurrence**, **we** will also pay legal costs incurred with **our** consent to defend the claim.

We will not cover **you**:

- if **you** are entitled to be wholly or partly insured by any compulsory statutory insurance or accident compensation scheme, or would have been, but for the failure to register the vehicle or to apply for cover under the insurance or scheme or to comply with a term or condition of the insurance or scheme; or
- if **you** are entitled to be wholly or partly protected by any other policy of insurance which specifically covers compulsory third party motor vehicle liability.

Committee members of sporting or social clubs or community organisations

We will cover **you** against a claim for compensation or expenses which **you** become legally liable in Australia to pay following an alleged or actual act or omission in connection with **your** position as a committee member of a sporting or social club or community organisation.

We will not cover **you** if **you** receive more than \$1,000 per year for holding the committee member position.

The claim for compensation must be made against **you** within the **period of insurance** stated in **your policy schedule**.

The most **we** will pay under this additional benefit, including legal costs, is **\$10,000** during any one **period of insurance**.

Legal liability home business extension

If **you** have added the optional cover for 'Home business extension' **you** will also be covered for liability as detailed in this section. **Your policy schedule** will show the 'Home business extension' limit of liability and this will be the most **we** will cover for any liability claim for any one **occurrence** under this extension, apart from a **products** liability claim where the cover is limited to the 'Home business extension' limit of liability for any one **occurrence** and in aggregate for any one **period of insurance**.

No **excess** applies when **you** claim under this legal liability cover only.

What you are covered for – legal liability (home business extension)

If **you** have added the 'Home business extension' optional cover to **your** policy, **we** will cover **you** against any claim for compensation or expenses which **you** become legally liable to pay for:

- the death of, or **personal injury** to, any person;
- the **damage to property**; or
- loss or damage to another party resulting from **advertising liability**;

happening during the **period of insurance** anywhere in Australia as a result of an **occurrence** in connection with **your home business** or **products**.

In addition to the 'General exclusions' section (beginning on page 62) and the 'What you are not covered for – legal liability' section on page 52, the exclusions in this section apply to **your** liability cover under the 'Home business extension' for legal liability.

GENERAL EXCLUSIONS

Section 54 of the Insurance Contracts Act 1984

We will take into account section 54 of the Insurance Contracts Act 1984 (Cth) when **we** assess any claim made under this **policy**.

Section 54 of the Insurance Contracts Act prevents **us** from refusing a claim because of something **you** or some other person has done, or not done, after the **policy** was entered into, unless that thing caused or contributed to the claimed loss. But **we** can reduce a claim by an amount that fairly represents **our** prejudice because of the thing that was done or not done.

Subject to section 54 of the Insurance Contracts Act 1984 (Cth), there is no cover under any section of this policy for damage, loss, cost or legal liability that is caused by, arises from or involves any of the following:

- action of the sea, tidal wave or high tide;
- **storm surge**, except when the loss or damage occurs at the same time as **storm** damage;
- a bushfire, grassfire, **storm**, **flood** or tsunami in the first 72 hours of cover, unless this policy began on the same day:
 - **you** purchased the property at the **insured address**; or
 - that another policy covering **your buildings** or **contents** expired (but not when **you** cancelled the policy prior to its expiry date). Cover will only be provided up to the sums insured covered under the expired policy (any increase in sums insured will not be covered for these events for the first 72 hours specified);
- erosion, subsidence, settling, shrinkage or expansion of earth, vibration or earth movement, other than landslide or subsidence if the loss or damage occurs within 72 hours of, and as a direct result of, one of the following:
 - **storm** including rainwater, hail, snow or wind;
 - **flood**;
 - earthquake or tsunami;
 - explosion;
 - escape of liquid from a fixed pipe or something attached to a pipe, fixed gutter, fixed tank apparatus or drain;
- **malicious damage** or vandalism by **your** tenant;
- theft by **your** tenant;
- deliberate or intentional acts by **your** tenant;
- any order or any Government, Public or Local Authority involving the confiscation, nationalisation, requisition, damage or destruction of any property, unless such destruction was undertaken to reduce the spread of fire;
